

## **Maryland Schools Record of Physical Examination**

To Parents or Guardians:

In order for your child to enter a Maryland Public school for the first time, the following are required:

- A physical examination by a physician or certified nurse practitioner must be completed within nine months prior to entering the public school system or within six months after entering the system. A Physical Examination form designated by the Maryland State Department of Education and the Department of Health and Mental Hygiene shall be used to meet this requirement. (http://www.dsd.state.md.us/comar/comarhtml/13a/13a.05.05.07.htm)
- Evidence of complete primary immunizations against certain childhood communicable diseases is required for all students in preschool through the twelfth grade. A Maryland Immunization Certification form for newly enrolling students may be obtained from the local health department or from school personnel. The immunization certification form (DHMH 896) or a printed or a computer generated immunization record form and the required immunizations must be completed before a child may attend school. This form can be found at:

https://phpa.health.maryland.gov/OIDEOR/IMMUN/Shared%20Documents/Maryland%20Imm unization%20Certification%20Form%20(DHMH%20896%20-%20February%202014).pdf.

• Evidence of blood testing is required for all students who reside in a designated at risk area when first entering Pre-kindergarten, Kindergarten, and 1<sup>st</sup> grade. The blood-lead testing certificate (DHMH 4620) (or another written document signed by a Health Care Practitioner) shall be used to meet this requirement. This form can be found at: <u>https://phpa.health.maryland.gov/OEHFP/CHS/Shared%20Documents/Lead/MarylandDHMHBI oodLeadTestingCertificateDHMH4620\_revised3.24.2016c.pdf</u>.

Exemptions from a physical examination and immunizations are permitted if they are contrary to a students' or family's religious beliefs. Students may also be exempted from immunization requirements if a physician/nurse practitioner or health department official certifies that there is a medical reason not to receive a vaccine. Exemptions from Blood-Lead testing is permitted if it is contrary to a family's religious beliefs and practices. The Blood- lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

The health information on this form will be available only to those health and education personnel who have a legitimate educational interest in your child.

Please complete Part I of this Physical Examination form. Part II must be completed by a physician or nurse practitioner, or a copy of your child's physical examination must be attached to this form.

If your child requires medication to be administered in school, you must have the physician complete a medication administration form for each medication. This form can be obtained at <a href="http://marylandpublicschools.org/about/Documents/DSFSS/SSSP/SHS/medforms/medicationform404">http://marylandpublicschools.org/about/Documents/DSFSS/SSSP/SHS/medforms/medicationform404</a> .pdf. If you do not have access to a physician or nurse practitioner or if your child requires a special individualized health procedure, please contact the principal and/or school nurse in your child's school.

Maryland State Department of Health and Mental Hygiene

Maryland State Department of Education

Records Retention - This form must be retained in the school record until the student is age 21.
